#### Detail: Itinerary:

##### Day 1: Arrive into Kathmandu

We greet you on your arrival in Kathmandu airport today and transfer you to your hotel in the Thamel tourist district of the city. Our rep will help you settle in and familiarise you with the local area.

Overnight: Kathmandu hotel.

Extras: Extra days in Kathmandu

Meals: N/A

##### Day 2: Kathmandu walking tour. Swayambunath stupa.

Our tour starts today with a guided walk from our hotel in Thamel through small back streets full of numerous tiny shops, workshops, temples, and stupas to Durbar Square with its array of wooden and stone carved temples and palaces. After lunch at a rooftop restaurant overlooking the square, we drive to the important Swayambunath Stupa which sits on a hilltop overlooking the city, visible from miles around. Also known locally as the 'monkey temple', we'll see these nimble inhabitants scampering in and around the trees and temple.

Overnight: Kathmandu hotel.

Meals: Breakfast

##### Day 3: Drive to Chitwan National Park. Rafting option

This morning we drive out of the Kathmandu Valley and drive to Chitwan National Park in the lowland Terai region of Nepal that borders India. This will be our first taste of rural Nepal, and we'll see terraced farmland, forested hills, and rushing rivers. An option is available today to spend a few hours white water rafting on the Trisuli river (those choosing this option will rejoin the group in Chitwan this evening). On arrival in Chitwan, we check into our lodge, and then take an early evening village walk to see how the local Tharu people live and work.

Overnight: Lodge in Chitwan

Extras: White water rafting on the Trisuli

Meals: Breakfast & dinner

##### Day 4: Chitwan National Park wildlife safaris

We spend the whole day today exploring Chitwan National Park in search of the endangered Asian one-horned rhino, which Chitwan is famous for protecting. If you're very lucky you may also see a leopard, wild elephant or sloth bear, or even an elusive Bengal tiger, while the rhino, deer, monkeys, sloth bears, wild boar and numerous different birdlife are common sightings. Activities included are a jungle walk, river canoe trip and elephant safari. You may also take a jeep safari in the afternoon if you wish in place of the elephant safari.

Overnight: Lodge in Chitwan

Meals: Breakfast, lunch & dinner

##### Day 5: Chitwan to the hilltop village of Bandipur

Early this morning you can take a walk outside the park dedicated mainly to bird watching, or you can take an early morning elephant ride if you didn't do one yesterday (extra fee). After breakfast we leave Chitwan and the Terai and drive to the ancient hilltop Newari trading village of Bandipur. The centre of Bandipur has been restored, and is vehicle free, with some lovely old buildings. You have time this afternoon to relax here, or take a walk or hike through the surrounding fields, villages and hills. Walks include a 2-hour downhill hike through fields and forest to Siddha Cave, one of the largest in Asia and full of impressive rock formations (bring a torch). You can hike back uphill to Bandipur from here or walk down to the highway for our vehicle to pick you up. A shorter walk from the town centre can take you uphill for around 30min to the Thani Mai Temple, which is well worth it for its views at sunset if the weather is clear. In fact the whole of Bandipur affords good mountain views.

Overnight: Bandipur hotel

Meals: Breakfast

**Day 6: Bandipur to Pokhara. Afternoon tour**

We leave Bandipur this morning and drive on to the lakeside town of Pokhara, which sits at the base of the Annapurna range of mountains and is the main access point for trekking and rafting in the area. We will visit various places around Pokhara this afternoon, including the Peace Pagoda, Tibetan refugee camp and Devi Falls.

Overnight: Pokhara hotel.

Meals: Breakfast

**Day 7: Pokhara. Free day**

Your day is free in Pokhara today. There's plenty to do, with beautiful walks into the countryside around the lake available from less than an hour to a full day. One popular hike is to the top of Sarangkot, a hilltop just outside Pokhara which provides great mountain views. You can walk there and back, or drive most of the way in one or both directions. Other options include hiring bicycles, or taking a rowing boat out on Phewa Lake. The setting beneath the spectacular Annapurna mountain range ensures any time spent in and around Pokhara is a pleasure.

Overnight: Pokhara hotel

Meals: Breakfast

**Day 8: Drive from Pokhara to the Kathmandu Valley. Overnight Nagarkot**

We leave the Annapurna region behind today and drive back to Kathmandu (approx. 7 hours including stops). We skirt the city and head into the hills surrounding the valley and spend the night in the village of Nagarkot, The village is perched on a ridge and is known for having some of the best views in the Kathmandu Valley.

Overnight: Nagarkot hotel

Meals: Breakfast

**Day 8: Bhaktapur ancient centre, Pasupatinath & Boudhanath**

This morning we hope for spectacular sunrise views from Nagarkot before driving down to one of the other ancient cities in the Kathmandu valley, Bhaktapur. The centre of Bhaktapur has been designated a World Heritage Site, and hosts the best preserved ancient buildings and temples in the Kathmandu valley, with some great examples of traditional wooden architecture to be seen. Our tour here will really give you a taste for how life has been led in the valley for centuries, and you'll see several traditional crafts still taking place, including a whole square dedicated to pottery. After lunch we head back into Kathmandu to visit two of the city's most important, and contrasting religious pilgrimage sites - Pasupatinath temple (Hindu) and Boudhanath stupa (Buddhist). The evening is free for you to explore Kathmandu and Thamel one last time and enjoy a farewell meal together.

Overnight: Nagarkot hotel

Meals: Breakfast

**Day 10: Kathmandu. Departure transfer to the airport**

You have some free time in Kathmandu today until we transfer you to the airport for departure. ## ACCOMMODATION

### 1. Hotels in Kathmandu, Pokhara, Bandipur, Nagarkot

We use comfortable tourist class hotels in Kathmandu and Pokhara (approx. 3 star). The hotels in Bandipur and Nagarkot are at a slightly lower level but make up for it with some great mountain views.

### 2. Safari lodges in Chitwan National Park

At Chitwan National Park, we use safari lodges with comfortable clean rooms and en-suite bathrooms. We normally use lodges in and around the village of Sauraha on the edge of the park, which increases the number of activities you can do while at the park.

## TRANSPORT & TRANSFERS

The tour includes a 24-hour airport meet & assist service in Kathmandu airport, your arrival and departure airport-hotel transfers and all other transfers. Private vehicles are used for all sightseeing tours and most of the journeys throughout the tour. A variety of transport including jeeps, elephants & canoes is used when you visit Chitwan.

## RAFTING

It is a popular myth that white-water rafting is only for the young and super fit.

For all our rafting tours, you must be a competent swimmer and be unafraid of the water and to this end we are unable to accept bookings from non-swimmers. So, whether you are male or female, young or old, if you are prepared to honestly assess your physical abilities and accept the challenge then rafting is right for you.

You need to bring swimming gear, some trainers or sandals you don't mind getting wet, and a towel. We will provide wetsuits, and all the rafting equipment.

All the Nepalese rafting guides we use are fully trained and experienced on the river, and we carry a first aid kit and use safety kayakers. For the rafting option on this particular tour on the Trisuli River, there are Class II, III and IV rapids (Grades run from I to V), and you only need to be relatively fit. You don't need any previous rafting experience, and the start of your time on the river will be spent learning the skills and teamwork required. We consider the Trisuli river ideal for beginner rafters.

**Class II:** mild rapids, suitable for children and anyone seeking an enjoyable experience

**Class III:** larger rapids, requiring a little more skill but with little real danger

**Class IV:** powerful rapids, needing more advanced techniques

## INTERNATIONAL FLIGHTS

We want to give you as much flexibility as possible when it comes to booking your holiday with us. So, to take account of people with varying travel plans, we don't include your international flights in the main tour price. We are however very happy to book your flights for you, and our ATOL (UK flight sales license) covers all holidays booked together with a flight from the UK.

Please contact us with your preferred dates and departure airport and we'll give you a selection of airlines, times and fares to choose from. Your airport arrival & departure transfers are included whether you book your flights independently or through us.

## GROUP SIZE / TOUR LEADERS / GUIDES

We are committed to being a small group operator, as we feel this gives everyone in the group the best chance to get to know their fellow travellers and to hear and make the most of their guide. There's no point in us providing great guides if you've got to peer over 30-40 shoulders to see them! So, we won't ever put you in a 50-seater coach with 49 other people and just one guide. Instead, we set this Nepal group departures to have a maximum of 12 travellers. Average group sizes are around 8 people, lower during the low season (December-February, June-September).

Fully trained English-speaking Nepalese trekking, rafting and safari guides are provided in Nepal and many of our travellers consider them a highlight of their tour. We also provide a fully trained English-speaking guide for any sightseeing tours. A tour leader will accompany you throughout the trip.

We support and follow international guidelines for the employment of any trekking porters we use, including those of the IPPG (International Porter Protection Group)

At Encounters Travel we only use local Nepali guides and reps. We feel this gives you the best experience of the country and the sites you are seeing.

## ENTRANCE FEES

All your entry fees and permits are included (to cover entry into the trekking conservation areas, and sites on the city tour).

In Chitwan, all National Park activity costs are included, to cover one of each of the following: Jungle Walk, Village Walk, River canoe trip, Elephant Ride or Jeep Safari.

## TIPPING

While an accepted part of the culture and customs in Nepal, tipping is always optional, and any amounts paid should reflect excellent service. It is normal and accepted for people to tip differently, and you should not feel under any pressure to tip any particular amount. We are often asked for advice on common amounts however, and suggest that up to approx. 5% of the tour price would be a suitable budget for this tour. More information will be provided in your pre-departure information.

## DATES & PRICES

We run regular small-group departures on this tour throughout the year. All departures are guaranteed to run with a minimum of 2 travellers. Departure dates and prices are listed on our website and in our brochures. Please check the website for the most up-to-date prices and any special offers available.

Note: We do include some departure dates during the main monsoon season (late June to mid-September). During this period not all activities may be available in Chitwan, and you should travel prepared for muddy trails and rain if adding any trekking. Despite the probability of some heavy rain showers, visiting Nepal during the monsoon season can be a very pleasurable and different experience to the rest of the year, with everything looking very lush and far fewer tourists around, particularly on the trekking routes.

## HEALTH

Recommended vaccinations and other health protection measures vary according to the country you are visiting, and where you are travelling from. You must obtain professional advice from your medical practitioner or a travel clinic on current vaccinations needed for your destination. In general, most recommendations for Nepal include: Tetanus, Typhoid, Hepatitis A, Polio, Meningitis, Rabies and Malaria prophylactics.

## VISAS

Many nationals can obtain their Nepalese visa in Kathmandu airport upon arrival (including UK, European & US citizens). The cost is US\$25 (UK Pounds also accepted) for a stay of up to 15 days (US\$40 for up to 30 days), and the visa is obtained in the immigration area at the point where your passport is stamped (i.e. you don't need to join an extra queue).

## HOW TO BOOK

If you would like to book a place on this tour, please complete the online reservation form on our website. We will then contact you with more details about how to complete your booking and payment.

## FINANCIAL SECURITY

We are a UK registered company and you can be confident when booking with us that your money is safe and protected. If you book a flight departing from the UK from us with your tour then your entire package is ATOL protected by the Civil Aviation Authority. Our ATOL number is 10467. Additional financial protection is also provided through International Passenger Protection for passengers not booking flights. Please see our website or booking conditions for more information.

## RESPONSIBLE TOURISM

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this. All porters are equipped following guidelines set by the International Porter Protection Group (IPPG).
